Firefighters Boost Recruitment at Parkruns

Leicestershire firefighters have been out at local parkrun events in a bid to boost recruitment for the local Fire Service.

Leicestershire Fire and Rescue Service has opened recruitment for Wholetime Firefighters and aimed to increase applications by meeting with participants at the free 5K running events at Watermead Country Park.

Successful applicants must have good levels of physical fitness to be considered for the role, so where better than an event where local people of all ages, genders and backgrounds come to keep fit and active.

Along with regular parkrun volunteers fire service employees marshalled the course, timed the run, provided first aid and other duties, while giving members of the public the opportunity to learn about a career in the Fire Service.

Callum Faint, Chief Fire Officer for Leicestershire Fire and Rescue Service, said: *“A job as a Wholetime Firefighter can be demanding, but it can also very be rewarding, with potential for promotion and specialisation in various areas throughout your career.”*

You do not need any formal qualifications or previous experience to become a Firefighter. Basic entry requirements for Wholetime Firefighters include:

- You must live in Leicester, Leicestershire or Rutland at the time of application, unless you are a current active serving member of the UK Armed Forces; or employed by another UK local fire service authority.
- You must be at least 18 years old by 01 May 2026
- You must have a valid UK, EU or EEA driving licence
- You must have the right to work in the UK
- You must be willing to undergo a Disclosure and Barring Service (DBS) check

For more information on Wholetime Firefighter careers, visit the careers section at Leicestershire Fire and Rescue Service website.

Christmas Craft Fair All Set up and Ready to go

The stalls have all been sorted – over 50 of them – and the Friends of Hastings High School, in Burbage, are all set for their annual Christmas Craft Fair!

The event will take place at Hastings High School, on St Catherine's Close in Burbage, on Sunday 16 November, from 10am to 2pm.

The early fair will be a great opportunity for people to make a great start to their Christmas shopping and preparation, while at the same time raising money for the school.

More than 50 stalls have been confirmed for the event, many of them local Burbage based crafters and

makers.

Among them will be Burbage Charity Bikes with a scooter sale with all proceeds going straight to Breast Cancer UK.

And this year the entrance price has been cut to just £1 for adults while remaining free for children.

Organisers said: *“Save the date. It’s your chance to make a great start to your Christmas list whilst shopping local and supporting the school!”*

“We try our best each year to get a great variety of stalls to benefit both the stall holders and the customers.”

Community Awards are Back!

The nominations are in for an annual search for the selfless, unsung heroes who go that extra mile to make a real difference in their community.

Blaby District Council, whose area includes Stoney Stanton, Elmesthorpe, Sapcote and Sharnford, is now studying those nominations for its Community Awards 2025, for the local volunteers or groups who work tirelessly to support others.

The awards celebrate and reward people who give their time freely to good causes, whether that's volunteering at a charity, sports club, community group or simply being a good neighbour.

This year there is a new category – Sport and Physical Activity Volunteer of the Year – courtesy of lead sponsor, Everyone Active.

This joins the usual categories, Volunteer of the Year, Young Volunteer of the Year and Community Group of the Year.

A judging panel will decide the winners and runners-up in the individual categories while the Community Group of the Year will be selected

by public vote.

The results will be announced at a special celebratory event next year. Winners in the volunteer categories will each receive £100 and runners-up £50, as well as being able to nominate a local charitable organisation to receive a cash donation.

Community Group of the Year will receive £1,000 and the runner-up organisation will win £500.

Councillor Nick Chapman, Blaby District Council Portfolio Holder for Community, said: *“There are so many groups and individuals out there who are passionate about supporting others and yet whose efforts may go overlooked.”*

40 Years of the First Britannia Burbage Scout Hut

The 40th anniversary of the First Britannia (Burbage) Scout Hut will be marked with a special party later this month.

The celebration will take place between 12 and 3pm on Sunday, 23rd November.

It will feature a fascinating exhibition looking back at the hut's history.

The event will mark four decades of this hugely important scout hut, a building that has served as a cornerstone for local youth and community groups for many generations.

The event aims to celebrate the rich history of Burbage's only Scout hut and the countless individuals who have contributed to its story, plus a range of activities for all ages, including games, crafts, and other engaging pursuits.

The exhibition will look back at the hut's history with photos and the story of how the hut came close to not being completed, before the project was saved by Burbage residents stepping in to help.

Good Neighbours in Stoney Stanton

Community spirit is all important in our villages and towns – and that can be especially true now that we are heading into the colder, darker months.

Thankfully, in our region we are inundated with instances and stories of our communities working together to help and to make life better for each other and our neighbours.

Take the Good Neighbour Scheme in Stoney Stanton – here to help and run entirely by village volunteers from Stoney Stanton.

The scheme does exactly what the name suggests – its all about being a good neighbour.

Volunteers are available to help members of the community with their shopping, the collecting of medication, transport to hospital if and when needed, as well as dental appointments and other kinds of appointments.

Volunteers are also there for befriending, dog walking for those struggling to do it, IT help, gardening and those small jobs in the home such as changing lightbulbs.

If you have any questions, would like to know more or can help with the Stoney Stanton Good Neighbour Scheme, then please ring or message them on 07592 736476 or email stoneystantongns@gmail.com

Generous Donation to Hinckley Bowling Club

Nearly £1000 has been donated to Hinckley Bowling Club – from a care home in a neighbouring town!

Overslade House Care Home has donated the £954 to the club to help fund a mobile aluminium stair unit, designed to support members with limited mobility.

The funding was made possible through a grant from Barchester's Charitable Foundation.

The Foundation supports older people and adults with disabilities or mental health challenges across England, Scotland, and Wales, providing grants that help individuals stay connected with their local communities.

The stair unit will allow more members of the bowling club to participate fully in activities.

To mark the occasion, Overslade House in Rugby welcomed Stephen and Julie Beamish from Hinckley Bowling Club for a special afternoon tea.

During their visit, the pair praised the care home's warm atmosphere and were delighted to meet the resident Alpaca Pals, adding a touch of fun to the celebration.

Stephen Beamish, President of Hinckley

Bowling Club, said: “It has been described as a Godsend by several of the older members at our club and is regularly used by our O’60’s Leagues.

“The aluminium stair unit, which bridges the pathway over a ledge and a ditch to the Bowls Green, allows a safe entrance to the Green for members and visitors with restricted mobility.

Genoveva Tamasi, general manager at Overslade House Care Home, presented the cheque with the help of resident Marjorie.

Genoveva said: “We are always keen to show as much support as we can to local charities.

“Many of our residents enjoy Indoor Bowls, and this is why Hinckley Golf Club is close to the care home’s heart, as we understand how mobility can be restricting without the right equipment.”

Hinckley and Burbage Lions are on course to raise over £10,000 for charity this year

Over half of this has gone to local charities and good causes with the balance spent on national charities and international causes, such as supplying Ukrainian stoves.

And they are finishing their year in style with a blockbuster musical gig with popular group Off the Cuff, who are providing a night of nostalgia and memories with songs ranging from the swinging 60s to the 90s.

The event on Saturday, December 6, is at Ashby Road Sports Club and tickets are available costing £10 by scanning the code on the poster or phoning Jackie on 07493062616.

Club President Robin Wilson said; *“We are lucky to have secured Off The Cuff, as they are a very entertaining group and we would love to see a full house on the night.*

Come along and help swell the coffers for a club who put every penny we raise back into helping others” he added

New Rules for Bird Keepers in Leicestershire

New rules have been put in place for people who keep birds in Leicestershire.

The Government has said these additional housing measures will help protect birds from bird flu.

As of Thursday 30th October, parts of England, including Leicestershire, have mandatory biosecurity measures in place to stop the spread of bird flu.

People must house their birds if they keep either:

- More than 50 birds of any species;
- Any number of poultry (meaning birds that are kept to give away or sell eggs, poultry products or live birds).
- You will not have to house your birds if you keep less than 50 birds and their eggs or poultry products are for your own use only.

Put up your Outdoor Christmas Lights Safely

With Halloween and Bonfire Night now behind us we're about to start seeing the Christmas decorations going up at houses throughout our area.

More and more common in recent years has been the use of outdoor lights, with some pulling out all of the stops to create huge and stunning displays outside their homes.

As Andrew, of Powers Electrical based in Stoney Stanton says: *"There's a lady in Stoke Golding I go to every year to put the lights up on her tree outside her bungalow. I really enjoy doing it."*

But Andrew adds that there are a few things to look out for when festooning your house in outdoor Christmas lights.

He said: *"Fortunately now the lights are all low voltage LED, only 13 amp, so they won't overload."*

But that doesn't mean there aren't still issues to consider and be aware of.

One common mistake is feeding power lines through window frames which, beside everything else, can present a trip hazard.

Much better, says Andrew, is an outdoor socket, preferably with RCD built in. However, these can also present problems, often only single or double with little adapters so plugs don't always fit in the socket, resulting in the lid not being able to close.

Andrew says its easily solved, however. Outlets such as Screwfix sell a range of multi-box outdoor and waterproof kits. Many have much deeper boxes and Andrew says: *"You can plug all your leads in and then use it all year round for whatever you need in your garden."*

For any of your electrical needs – advice, alterations, upgrades, rewires, PAT testing, you can get hold of Powers Electrical for an honest and reliable service from a fully qualified electrician at 01455 272078 or 07957 243779.
